NOTICE TO EXHIBITORS

THE MANAGEMENT will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Chair be asked to leave the show site. In such case, no refund of costs paid will be made.

IMPORTANT:

Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately. NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the www.NADACForum.com within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the Forum by going to www.NADACForum.com and submitting your request. Your dog's points can be found in the Members Section. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. PSA is responsible for correcting any errors and informing NADAC.

Non-Jumping classes – Veteran Handler:

Disabled handlers or handlers aged 60 yrs. or older may opt to enter the non-jumping classes as a Veteran Handler and receive additional standard course time. This division is for handlers only. The additional SCT is for qualifying purposes only for those who may need the additional time to negotiate the course due to physical limitations. Veteran Handlers in the non-jumping classes will be scored and placed with their standard division jump height. When entering as a Veteran/Disabled Handler, you must enter all classes and all dogs in this division for the weekend.

As of January-2014:

Dogs must enter the Veterans Dog Division in all jumping classes after their 9th birthday. After their 12th birthday, dogs must enter the Skilled Category, Veterans Division for jumping classes and Skilled Category for non-jumping classes.

This is a Double Run Trial:

Any classes offered twice in a day will run the same course twice with no second walk through. Intro Level courses are shorter in length than Novice courses. Jump heights can be chosen by the handler without regard to the dog's height, with 16" being the maximum jump height allowed. There are no contact/tunnel discriminations and the only class with weaves is Intro Weavers with one set of six.

Swap Option:

This trial offers a swap option. On Saturday where there is 1 round of Chances and 1 round of Jumpers you have the option to have a round 2 for one of those but you have to give up a jumping class to do it. For example you may choose to run 2 Chances, 1 Jumpers and 1 Regular. Any arrangement of jumping classes is acceptable, but you may only run in **4 of the 6** jumping classes.

This is a Containerized Trial:

FOOD/TOYS IN POCKET: Food or a small noiseless toy may be carried into the ring in your pocket provided it is contained in a Ziploc bag or small container such as a pill bottle. The container cannot be visible in the ring nor within 10 feet of the ring. You cannot indicate to your dog that you have this item on you i.e. patting your pocket. You are not allowed to remove the container until you are at least 10 feet outside the ring. All food and toys must be contained at the trial and none can be left lying about loose. This policy has been implemented to reduce the possibility of dogs fighting over loose food or toys, diminish dogs dragging their handlers back to their crates (or wherever they left their food), and to lessen the amount of insects that are around loose food.

Levels:

Dogs may not enter at a level higher than what they have completed previously. A dog that has not competed in NADAC previously MUST enter at the Intro or Novice level.

Points Combining:

In NADAC competitions, all points combine for titles and awards, regardless of category (Skilled or Proficient) or division (Junior Handler, Veteran Handler, Vet Dog, Standard).

Special Awards:

Purple Sands Agility offers bars and rosettes for NATCH qualifying runs. PSA also offers special awards for high in trial, most inspiring handler, loudest dog, and other special categories. At the end of each calendar year a special "Purple Sands Series" award is presented to the overall high point champion. The champion will be determined based on scores from all 3 yearly trials, winner must attend at least 2 of the 3 trials (April, June & Dec).

Part of Your Entry Cost Will Be A Charitable Contribution:

Purple Sands Agility is a 509(a)(2) tax-exempt charitable organization. In Spring, Purple Sands Agility will notify you of the portion of your entry cost that can be claimed as a charitable donation.
